

# Texas A&M University-Corpus Christi

## Athletic Training Program

### **Estimate of Additional Costs:**

The following are projected costs to be enrolled in the MSU Denver Athletic Training Program (ATP). The cost projections do not include books, tuition, or student fees incurred outside of the athletic training curriculum. Please note that the Bookstore and/or the University without prior knowledge may increase costs. Every attempt will be made to keep current and prospective athletic training students up to date of any additional costs.

### **ITEM**

### **ESTIMATED EXPENSE**

#### **Immunizations**

**Approx. \$30.00-\$60.00 each**

Updated immunization are only required if any of the required university immunizations are expired.

*Please Note:* These are costs were estimated through the University Student Health Center. Private physicians may charge more, depending on your primary insurance coverage.

#### **Physical Examination & TB Test/Verification**

**Approx. \$30.00-\$60.00 each**

Students are required to provide proof of an annual physical examination. In addition, students must demonstrate proof of a current TB test and/or physician documentation each year.

*Please Note:* These are costs were estimated through the University Student Health Center. Private physicians may charge more, depending on your primary insurance coverage.

#### **NATA Annual Membership**

**Approx. \$80.00 per year**

Students are required to become an NATA member while enrolled in the Athletic Training Program. As a part of the student NATA membership, students will have access to A-Track to log their clinical hours. Students obtain many member benefits via the NATA membership in addition to A-Track access including: committee and volunteer opportunities; eligibility for scholarship; discounts to attend conferences and to apply for the BOC examination; access to resources: career center, free 10 CEUs, membership directory, membership statistics, AT salary survey, NATA News, Journal of Athletic Training, and Journal of Athletic Training Education.

#### **Clothing**

All ATP students will be required to purchase their own clothing if necessary to comply with the official dress code of the Texas A&M University-Corpus Christi Athletic Training Program.

#### **Transportation to Clinical Sites**

All ATP students will be responsible for all travel costs (gas, mileage, insurance, etc.) when traveling to off-campus clinical sites.

#### **Blood Borne Pathogen Exposure**

If a student is exposed to blood borne pathogens during a clinical experience, then the student will be immediately referred to the University Student Health Center. The cost for student exposure testing and treatment will be billed to the student's insurance, when available, or the student will be responsible for the cost of the services provided.

#### **Background Checks**

Students **may be** required to fulfill a personal background check in order to be allowed to participate in clinical hours. Students are responsible for the cost of the background check. When this is necessary, the ATP Director and Clinical Education Coordinator will provide explicit directions to ATP students in order to have this completed.
